

# MET BRANCH NOMA CLOSURE DETAILS

## Timing:

The trail will only be closed at night.

- January 22nd - February 9th
- Sundays through Thursdays
- 9:00PM – 5:00AM

## What's going on?

A building contractor is installing protective scaffolding over the trail to keep trail users safe as a new building is constructed next to the Metro station.

After the closure, there will be scaffolding over the trail, similar what's at T Street right now.

## Access:

The N Street elevator (just south of Florida Ave) will be open 24-7.

## Problems:

If something's closed when it's not supposed to be, or the detour is blocked, please call DDOT's Public Space Regulation Administration at **(202) 442 4670**.

Explain the problem, ask for a permit inspector, and reference permit number **10354651**.
