NOI #22-94-TESD

Re: Roadway Reconfiguration, Lane Reduction, and Protected Bike Lanes on New Jersey Avenue NW from Rhode Island Avenue NW to N Street NW

Dear Chairperson Eicher and Chairperson Thomas:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCMR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

DDOT proposes to modify the roadway pattern for New Jersey Avenue NW from Rhode Island Ave. NW to N Street NW, generally reducing the four-lane configuration to a two-lane configuration with center turn lanes, protected bike lanes and full-time parking. Existing rush-hour restricted parking spaces will be removed for the entirety of the corridor and will be replaced by full-time parking spaces primarily on the west side of the roadway as shown in the attached plans.

DDOT’s reasoning for this change is due to the high number of crashes on this corridor, our mandate to eliminate fatal crashes by 2024, and the citywide goal to plan and build a network of protected bike facilities.

All comments on this subject matter must be filed in writing by Tuesday, May 10, 2022 (thirty business days after the date of this notice), with the District Department of Transportation (DDOT), Project Delivery Administration at 250 M Street, SE, Washington, D.C. 20003. DDOT will review and evaluate comments and
anticipates initiating implementation of the above-mentioned modifications starting at the end of the thirty business days, pending weather conditions.

If you would like to check the status of the Notice of Intent (NOI) or submit your comments via email, please visit DDOT’s website at: http://ddot.dc.gov/service/ddot-notice-intent. If you have trouble accessing the NOI site or are unable to do so, please contact the DDOT Customer Service Clearinghouse at 202-671-2800.

Sincerely,

Sahar Nabaee, P.E.
