

## 2022 Candidate Questionnaire for Prince George's County Council and Executive

Dear Candidate,

We ask that you complete our questionnaire so we understand your views on the pressing transportation issues facing Prince George's County. Your answers will be given to our membership for strictly education purposes only. Answers will also be posted on our website, shared on social media and with our members in Prince George's County.

The questions are yes or no as well as questions that require you to elaborate for your response. We ask that you return the questionnaire by COB 4/2/21. Please email the questionnaire responses to me at [advocacy@waba.org](mailto:advocacy@waba.org). If you have any questions please email us. Thank you for taking time out of your busy schedule to complete the questionnaire.

WABA **does not endorse** candidates for any political office.

Sincerely,

Jeremiah Lowery  
Advocacy Director, WABA

### Capital Trails Network

The Capital Trails Coalition seeks to create a world-class network of multi-use trails that are equitably distributed throughout the Washington DC region. The Coalition is in the process of finding funding to complete 800 miles of planned trails into pavement that people can walk and bike on. Trails are an economic boost for local economies and improve the health and well being of communities. Would you support Prince George's County, alongside DC and VA, dedicating funding to complete our regional trail network?

Yes

Further explain how you would advocate for the completion of the County's portion of the Trail Network?

By having my administration seek out federal and state grants which continues supporting vision 2035.

### Protected Bike Lanes

Bike lanes would reward County residents who choose to travel in ways that conserve land, energy, and fuel and they also fight climate change. Expanding the number of protected bike lane miles in the County would make bicycling safer, easier and more popular and also reduces fuel use.

Do you support increasing funding to expand biking infrastructure in your District?

Yes

How will you ensure the expansion of off-street paths and protected bike lanes on major thoroughfares and connecting streets that are comfortable for people of all ages and abilities? By enforcing previously set plans and funding them.

### **Vision Zero**

Do you support implementation of the full Prince George's County Vision Zero Action Plan, and commit to making sure all action items are planned and implemented?

Yes

Do you support expanding funding for the infrastructure changes needed to slow traffic on your community's streets, and improve crosswalks and intersections to make them safer for people who are walking and using mobility assistive devices?

Yes

### **Engagement**

How will you work with your constituents to develop consensus infrastructure designs for your District that balances the community's desire for walkability, connectivity, open space and resiliency with vehicular traffic? My administration is one that will seek the voice of those in which the designs intend on improving.

### **Upcoming Term**

If elected, what will be your signature legislation or priority that you will champion to improve traffic safety during your upcoming term? Using IoT and other design methods and practices to reduce traffic, collisions and fatalities.

### **Town-Hall with WABA members**

Would you be willing to meet with Prince George's County WABA members in a town hall setting to discuss pressing transportation issues this year?

Yes

### **Transportation Equity Pledge**
