

It's time for an  
**equitable investment**  
in Montgomery County's  
bike network.

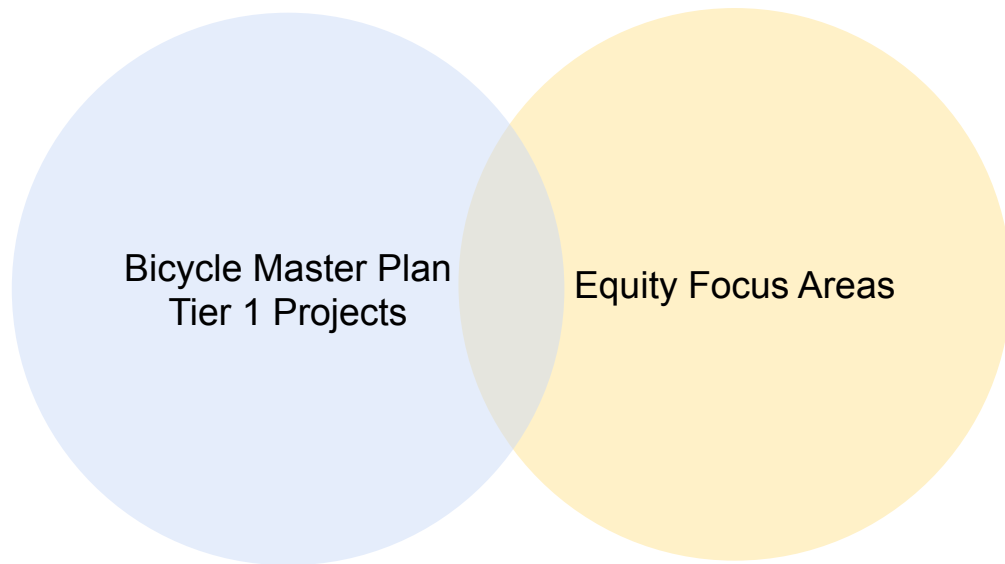

The County spends money on bike and pedestrian safety projects, **but mostly in the more affluent areas of the County.**

This spending pattern fails to address the needs of those **more likely to rely on transit, biking and walking.**

The County  
should focus CIP  
funding **where  
it's needed  
most.**

This proposal  
creates  
**networks for  
safe biking and  
walking** where  
there are no  
networks  
currently.

Bicycle Master Plan  
Tier 1 Projects

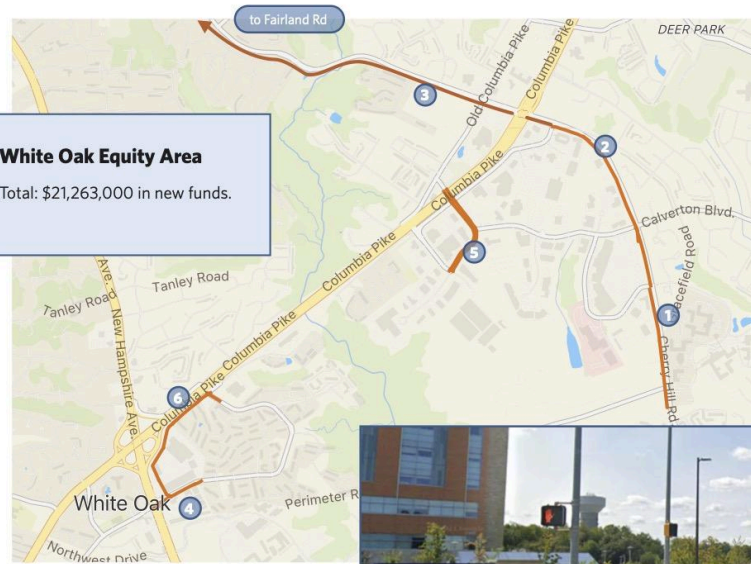

**\$110m  
in new CIP  
funds over  
6 years.**
